

FR2 Quick Reference Sheet Civilian Injuries Dashboards

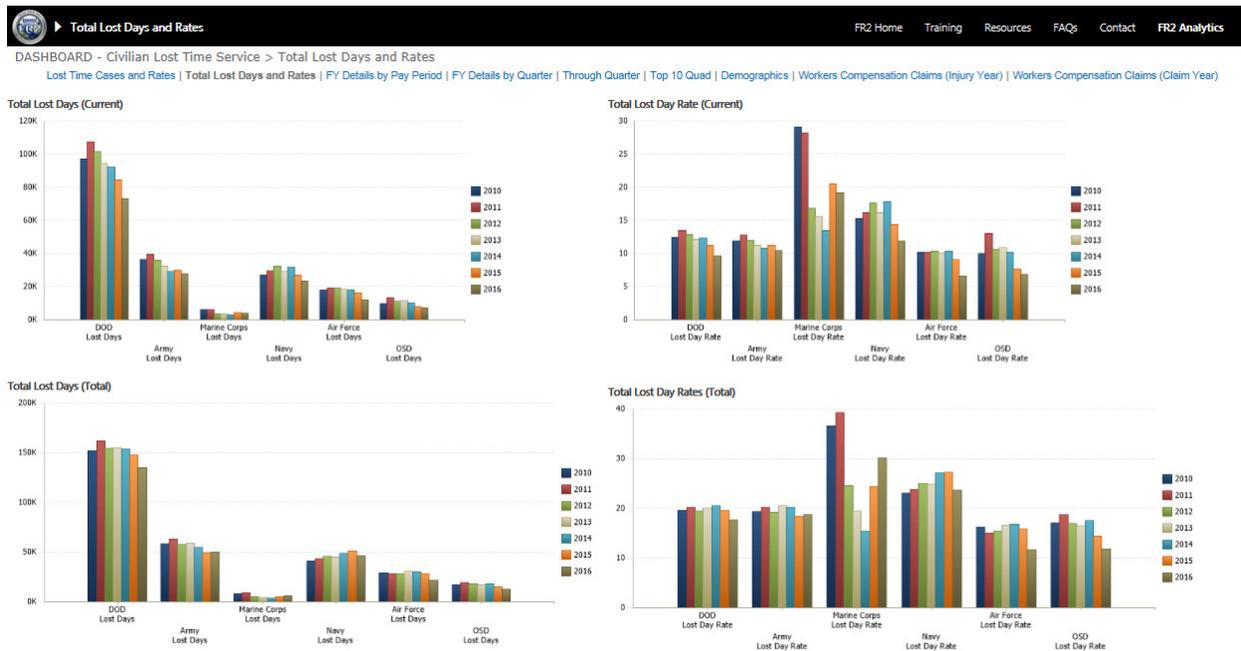

Civilian Injuries Dashboards Background

- Civilian Injuries Dashboards available are: Service, Installation, Major Organization, Unit, Occupation, Calendar Year and USACE.
- Across the top of each Dashboard the tabs specific to the dashboard are displayed as a link. Each tab displays reports with a different view of the dashboard data.
- Civilian Injuries data comes from the Defense Manpower Data Center (DMDC) Civilian Personnel Data and Civilian Pay Data.
- FR2 compiles Total Injuries by adding Current Injuries (when lost time for a case starts in the current FY) and Past Injuries (when lost time for a case starts in a previous FY).
